

Char-Lan Skating Club Sponsorship Program 2022-2023 Season

The Char-Lan Skating Club is looking for your assistance for the upcoming skating season.

Who are we?

Founded in 1974, we are a small, not-for-profit rural skating club located in Glengarry Township. Our membership consists of roughly 125 skaters. Our club operates four days per week, at the Char-Lan Recreation Centre in Williamstown, from mid-September to late March. Our club is run by a group of dedicated volunteers, and we offer a variety of programming to aspiring skaters of all levels, including Pre-CanSkate, CanSkate, Adaptive CanSkate, Teen and Adult Skate, and STARSkate.

How can you help?

In order to keep registration affordable for our community, we rely on the fundraising efforts of our skaters, skating families and supportive community. This year, we are once again incorporating five sponsorship levels into our fundraising efforts and we are asking supporters like you, to make a one-time donation for our 2022-2023 skating season. Please see the chart provided for sponsorship options, and levels of advertising.

What we provide for your business.

As a sponsor of the Char-Lan Skating Club, your business will receive advertising through our very active social media following; your logo will be seen by over 200 newsletter subscribers monthly, and by hundreds of community members at the Char-Lan Recreation Centre. Diamond level sponsors will have the added value of their logo in-ice from September through March, reaching thousands of people seasonally. Assisting the Char-Lan Skating Club shows your support of minor sports in South Glengarry.

On behalf of the Char-Lan Skating Club, we thank you for your time and consideration. We hope that your business will support our organization and our mission to provide quality skating instruction that encourages our skaters to achieve their potential.
